

**Please take a minute to tell us about your experience using the “Test the Water” Science Kit!**

Before returning this kit to the library, please take a few minutes to tell us about your family’s experience using this science kit. Please go to the web address to the right to take a brief survey about the kit. You can also use the QR code to access the survey on your phone or tablet.

Your feedback will help us make this kit and others even better for families like yours! Thank you!

**Science Kit Survey**

Please go to this address to complete a brief survey:

<http://cornerstonesofscience.org/watersurvey>

Or use this QR code to access the survey on your phone or tablet:
