NNLM Subaward Application Template – Outreach

System Requirements

Before attempting to submit your application for funding in the NNLM online application system:

1. Confirm that your institution is a NNLM Member with a NNLM Member record.

    If your institution is not a NNLM Member, submit an application for Membership **at least 3 weeks prior to the funding deadline**. Membership is not automatic. A Member record is required to successfully submit an application.

    Not sure if your institution is a Member or has a Member record? Search the NNLM Membership Directory or contact your Regional Medical Library.

2. Confirm that you (the applicant) have an NNLM account.

    You must be logged in to your NNLM account to successfully submit an application.

    If you are submitting an application on behalf of the Project Lead, the Project Lead must also have an NNLM account prior to submission.

3. Confirm that your NNLM account is connected to the NNLM Member record for your institution.

    To connect, fill in the "Organization" field on your NNLM account using the autocomplete function. When correctly filled, you will see the 5-digit NNLM ID in parenthesis beside the institution name. Watch a brief tutorial for assistance with completing this process.
    If you are submitting an application on behalf of the Project Lead, the Project Lead must also be connected to the NNLM Member record for your institution prior to submission.

Please note: you cannot successfully submit an application without these components. If you have questions about these or any other system requirements, please contact your Regional Medical Library in advance of the application deadline.
