- Health Literacy
- Health Reference Ethics and Best Practices
- Environmental Health and Justice
- Telehealth in Libraries

Moodle LMS

- Fundamentals of Health Science RDM
- Wellness in the Library Workplace
- Effective Health Communication and Health Literacy: Understanding the Connection

National & Cross-Regional Training Programs

- Black Maternal Health Week
- Carpentries Workshops Coordination
- Love Data Week
- Telehealth in Libraries
- Emergency Response and Disaster Preparedness Month
- Environmental Determinants of Health Webinar Series
- Health Misinformation Webinar Series
- Hidden Voices of Health in Rural America

Regionally Focused Programming

- Region 1 Insights Webinar Series
 - Various Topics of Interest
 - Share Your Expertise and Projects!
- Requests for In-Person Training from
 - NNLM Faculty
 - Ambassadors
 - Network Members
- R Community of Practice Pilot Project

2024 Virtual Symposium

- Engagement and Training Programs of Grantees across the United States the past two years
- Connect with Network Members
- Inspire you and others to consider engagement and training programs in your community
- January or February 2024 – before award applications are due

Is Your Organization a NNLM Member? It's Free to Join!

- Member Benefits**
- Apply for Funding
 - Request Free, In-person Training
 - MLA Specializations Support
 - Order Free Informational Materials

Free NNLM Account Creation:
<https://nnlm.gov/user/join>

2024-2025 Funding Ideas

- Call for Applications will begin January 2024
- Start brainstorming now for what you would like NNLM to support next year
- What kind of project or activity would you like to do?
- What kind of funding would you apply for?
 - Collection Development
 - Community Outreach
 - Data Services
 - Exhibiting
 - Professional Development
 - Technology Improvement
 - Other?
- How much money would be needed to make your project successful?
