

Discussion Guide

Summary

From artist and curator Bex Ollerton comes an anthology featuring comics from thirty autistic creators about their experiences of living in a world that doesn't always understand or accept them.

Questions

1. What did you think of the breadth and depth of the topics brought up by the artists in the anthology?
2. Which story resonated with you? Why?
3. Based on what we know of the diagnosis, treatment, and general understanding of autism today do you think that *Sensory* is a book that would help change minds? Why or why not?
4. What would you like to see in a future anthology about autism?
5. What new insights have you gained by reading *Sensory*?
